Sponsorship of the Belleville West Band Program provides name recognition and the opportunity to promote your services and products to the community. Your sponsorship is guaranteed to make a lasting difference in our community and the lives of our children.

The Belleville West Band consists of a number of different performing ensembles. We urge you to come and enjoy our performances.

Become a Sponsor of the Belleville West Band!

Family, Friends, and Supporters:

Thank you for your interest in becoming a sponsor of the Belleville West Band Program. Our community has always been very supportive of our efforts, and we can offer you and your business advertising and possible tax benefits through our sponsorship program. With your support, we can offer much more to our band students in their goal of sharing their talents with the school, community, state or beyond.

We need you to help our band raise operational funds. Each year we organize fundraisers to support the annual budget for the band program. Among the services we provide our students is year round education from quality instructors, music to perform, instrument repair and replacement, concert wear and uniforms to help students look their best, scholarships for students to participate in statewide and national band camp and leadership opportunities, and much more.

On a mission to grow, improve, and provide the best possible experience for the young adults involved in our department, we promote and maintain an enthusiastic interest in all ensembles within the band program at Belleville West. As we work to improve the material infrastructure of our program, the desired effect is to raise the pride we take in our music, and ultimately, ensure that our level of musicianship is always on the rise. Your sponsorship helps to make band participation possible for all students.

Please join a long tradition of community and business support to help the Belleville West Band continue its tradition of excellence. We ask that you consider the Sponsorship Program and let us know how we can best help you help us. Peruse the included brochure and Sponsor Information Form, which will answer questions concerning our Sponsorship Program. There are many levels of support, and we are thankful for any assistance you can provide. We will make sure that our audience is aware of your support and that your support is recognized in various ways. When we perform in the community, whether it is the marching band in a local parade or our jazz band performing at a dinner or ceremony, you can take pride in knowing that our students have benefitted, and perhaps sound just a little better, due to your patronage.

Through the combined efforts of our very supportive school district, families, friends, and talented students, we can continue to grow the rich heritage and wonderful musicianship found in the Belleville West Band Program. As always, reach out to us with any questions. We look forward to hearing from you!

Respectfully,

Michael Pond-Jones
Director of Instrumental Music
