

Benefits of Support

Our program is rich in history, tradition and excellence. With your financial support, you ensure that the hardworking students involved in our music program are afforded the opportunities and resources to not only develop their musical talent, but to also develop as competent, confident and thriving adults.

For businesses and individuals looking to build community awareness and positive rapport, supporting music education is a powerful statement. With over 80 performances a year throughout the region, our band is eager to spread awareness about your organization.

We do not just want your financial support. We truly hope you become a part of our musical community and attend our performances. Our goal is to share what we have created because without your support, none of this would be possible.

How to Sponsor the Belleville West Band Program

Included with this brochure is a Sponsor Information Form. Please send us your information along with your sponsorship amount. We will be in contact after receipt of your information.

**From All of Our Students & Staff,
We Thank You for Your Support!**

Frequently Asked Questions

Will I receive a receipt for tax purposes?

Absolutely! All sponsors will receive a receipt upon request.

Does acknowledgement in concert programs entitle sponsors to have advertisements in the program?

Yes, Benefactor Level and above may provide custom advertisement for placement in the program. In addition, all sponsorship levels will be recognized under the appropriate sponsorship level as a single line.

How long does a sponsorship last?

A sponsorship lasts from July 1st through June 30th of the next year. This schedule ensures that your sponsorship covers an entire performance season, which begins in late July and ends the first week of June. Each May, we will send a letter to ask if you would like to continue your support.

From where else does the band receive funding?

Our department is funded by modest student activity fees collected by the district. We also fundraise with events held throughout the school year.

Where does the band spend its funds?

The program maintains instruments, uniforms and trailers to transport all materials. Our department also hires additional staff for specialized instruction and sponsors student leadership training. The program also offers a small scholarship program for music students.
